As an Australian Financial Services (AFS) Licence holder, MTIS Private Wealth Pty Ltd is owned by a likeminded group of people and they collectively have over many decades of experience in the Financial Services Industry.

Our mission at MTIS Private Wealth Pty Ltd is to provide clients like yourself with high quality advice that you can rely on to help remove uncertainty in your life, thus positioning you to meet your needs and objectives.

Our Responsibility to You

Your adviser provides financial advice and services on behalf of MTIS Private Wealth Pty Ltd and accordingly we are responsible for the financial advice and services they provide.

Our advisers are required to provide an FSG and an Adviser Profile to you prior to providing any personalised financial advice, products and/or services. The FSG, together with the Adviser Profile, is a disclosure requirement under the Corporations Act 2001 (Cth). If you have not received an Adviser Profile, please ask your adviser for a copy or contact us (see page 6 for contact details).

The Adviser Profile contains important information about your adviser. This includes their Authorised Representative number and/or Corporate Authorised Representative number (if applicable), accreditations, qualifications and experience, areas of advice and types of financial services they can provide, details of how they get paid and fees that you may be charged.

Our Commitment to You

Our advisers are committed to providing quality financial advice and a wide choice of products and/or services to suit individual client circumstances.

Your adviser is obliged by law to act in your best interests and provide appropriate advice when providing financial advice to you. To be in a position to provide effective advice, your adviser will need to determine your needs, objectives and relevant financial circumstances.

You will be asked to provide accurate information and to keep your adviser up to date on any changes to your relevant circumstances to ensure the advice provided and financial products recommended remain relevant to your personal situation. You do have the right not to divulge such information. However, in this case, your adviser will warn you about the possible consequences and how this may impact the quality and reliability of the advice provided. Additionally, your adviser may also decline to provide advice if they feel they have insufficient information to proceed.

Before providing any financial products and/or services to you, we will need to verify your identity in accordance with the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML/CTF Act). Your adviser will let you know what documentation you will need to present to allow them to provide you with appropriate advice and to meet the relevant customer identification requirements under the AML/CTF Act.

To ensure that you remain on track to meet your short term needs and objectives, it is vital to periodically review your financial plan. Your adviser will offer a review service appropriate to your circumstances. A fee may be charged for the ongoing advice and management of your financial affairs. Your adviser will provide you with details of any such fees which are applicable to you.
